Richard -

A brief update.

I have confirmed that the group I represent does own and manage the property.

Currently I am working through to find the right person to approve access.

Tim

Tim - Attached is the access agreement that we could locate regarding the properties that EPA would like to access to take samples from wells MW-5 & MW-6.

We haven't found a fully executed copy. Do you still represent these owners?

(See attached file: Access Agreement Wells MW-05 & MW-06 - 2005.pdf)
